

MAYOR OF  
CZERWIEŃSK

Czerwieńsk, 28 November 2011

Our ref.: GGRiOŚ 7627-11/43/10/11

### Resolution

Acting based upon the following:

- Article 49 and Article 113 (1) and (3) of the Act of 14 June 1960 Administrative Proceeding Code (uniformed text: OJ of 2000 no. 98, item 1071, as amended)

### I decide to

correct an obvious editorial mistake in the decision of the Mayor of Czerwieńsk dated 18 July 2011, ref. no.: GGRiOŚ 7627-11/39/10/11, as follows:

line 16 on page 7 of the decision states:

“On 13 October 2011”,

whereas it shall state

“On 13 October 2010”.

### Justification

On 18 July 2011 the Mayor of Czerwieńsk issued the decision, ref. no. GGRiOŚ 7627-11/39/10/11, on environmental conditions for implementation consent for the investment titled **“Construction Design and Detailed Design for Reconstruction of river control infrastructure on the Odra River. Adaptation to the conditions of Class III waterway”**, planned for implementation within Lower Silesian Voivodship (districts of: Środa Śląska, Legnica, Wołów, Lubin, Góra, Głogów) and Lubuskie Voivodship (districts of: Słubice, Nowa Sól, Zielona Góra, Krosno Odrzańskie).

Page 7 of the subject decision included a sentence stating “On 13 October 2011 the Mayor of Czerwieńsk issued a decision, ref. no.: GGRiOŚ 7627-11/16/10, on the obligation of performing an environmental impact assessment for the aforementioned investment.” The decision was actually issued on 13 October 2010. That mistake is an editorial mistake done erroneously at edition of the text. The date of resolution issued prior to the issuance of the decision cannot be later than the date of the decision itself. That mistake contains elements of an error as given in Article 113 (1) of the Administrative Proceeding Code.

Article 113 (1) of the Administrative Proceeding Code states that the public administration authorities may ex officio or upon a request of the party correct editorial and accountant mistakes and other obvious mistakes in decisions issued by those authorities through a resolution. Undoubtedly, in this case there is rationale to correct the obvious editorial mistake. The mistake has a technical character and does neither modify the meaning of the decision nor its justification.

The party may appeal against this resolution to the Self-Governing Appeal Board in Zielona Góra through the Mayor of Czerwieńsk within 7 days from the day of receiving.
