| Unit | Topic | Learning Objectives | Assessment | Resources | Notes |
|---------|-----------------------------------|--|-----------------|-----------------|-------|
| Unit 1 | Introduction to the course | Understand the course structure and objectives | Self-reflection | Course syllabus | |
| Unit 2 | History of the course | Understand the historical context of the course | Self-reflection | Course syllabus | |
| Unit 3 | Mathematics of the course | Understand the mathematical concepts of the course | Self-reflection | Course syllabus | |
| Unit 4 | Science of the course | Understand the scientific principles of the course | Self-reflection | Course syllabus | |
| Unit 5 | Art of the course | Understand the artistic aspects of the course | Self-reflection | Course syllabus | |
| Unit 6 | Language of the course | Understand the linguistic elements of the course | Self-reflection | Course syllabus | |
| Unit 7 | Music of the course | Understand the musical concepts of the course | Self-reflection | Course syllabus | |
| Unit 8 | Dance of the course | Understand the dance techniques of the course | Self-reflection | Course syllabus | |
| Unit 9 | Theater of the course | Understand the theatrical elements of the course | Self-reflection | Course syllabus | |
| Unit 10 | Visual Arts of the course | Understand the visual arts concepts of the course | Self-reflection | Course syllabus | |
| Unit 11 | Writing of the course | Understand the writing techniques of the course | Self-reflection | Course syllabus | |
| Unit 12 | Public Speaking of the course | Understand the public speaking skills of the course | Self-reflection | Course syllabus | |
| Unit 13 | Leadership of the course | Understand the leadership concepts of the course | Self-reflection | Course syllabus | |
| Unit 14 | Teamwork of the course | Understand the teamwork principles of the course | Self-reflection | Course syllabus | |
| Unit 15 | Communication of the course | Understand the communication skills of the course | Self-reflection | Course syllabus | |
| Unit 16 | Problem Solving of the course | Understand the problem-solving techniques of the course | Self-reflection | Course syllabus | |
| Unit 17 | Decision Making of the course | Understand the decision-making processes of the course | Self-reflection | Course syllabus | |
| Unit 18 | Conflict Resolution of the course | Understand the conflict resolution strategies of the course | Self-reflection | Course syllabus | |
| Unit 19 | Stress Management of the course | Understand the stress management techniques of the course | Self-reflection | Course syllabus | |
| Unit 20 | Time Management of the course | Understand the time management skills of the course | Self-reflection | Course syllabus | |
| Unit 21 | Goal Setting of the course | Understand the goal setting techniques of the course | Self-reflection | Course syllabus | |
| Unit 22 | Self-Motivation of the course | Understand the self-motivation strategies of the course | Self-reflection | Course syllabus | |
| Unit 23 | Self-Discipline of the course | Understand the self-discipline techniques of the course | Self-reflection | Course syllabus | |
| Unit 24 | Self-Confidence of the course | Understand the self-confidence building techniques of the course | Self-reflection | Course syllabus | |
| Unit 25 | Self-Respect of the course | Understand the self-respect principles of the course | Self-reflection | Course syllabus | |
| Unit 26 | Self-Resilience of the course | Understand the self-resilience strategies of the course | Self-reflection | Course syllabus | |
| Unit 27 | Self-Compassion of the course | Understand the self-compassion techniques of the course | Self-reflection | Course syllabus | |
| Unit 28 | Self-Understanding of the course | Understand the self-understanding principles of the course | Self-reflection | Course syllabus | |
| Unit 29 | Self-Improvement of the course | Understand the self-improvement techniques of the course | Self-reflection | Course syllabus | |
| Unit 30 | Self-Reflection of the course | Understand the self-reflection techniques of the course | Self-reflection | Course syllabus | |
