NOTICE TO SKIPPERS 41/2021

Re: Opening of the Wrocław byway section from the Szczytniki lock to the Miejska lock

Pursuant to Article 14 sec. 1 point 4 of the Act of 20 July 2017 – Water Law (Journal of Laws of 2020, items 310, 284, 695, 782, 875) and Article 43 sec. 6 of the Act of 21 December 2000 on inland navigation (Journal of Laws of 2019, items 1568, 1901, 2170, and of 2020, item 284),

The State Water Holding Polish Waters – Regional Water Management Board in Wrocław would like to announce that **starting from 30 July 2021, a section of the Wrocław byway from the Szczytniki lock to the Miejska lock will be opened and its minimum waterway depth will be 70 cm.**

The minimum waterway depth along the section from the Szczytniki lock to the Zwierzyniecki Bridge is 110 cm.

Szczytniki and Miejska locks can be contacted on Mondays from 6:30 a.m. to 2 p.m. and on other weekdays, Saturdays, and holidays from 6:30 a.m. to 9:30 p.m.

In connection with limited water damming on this body of water, crews of all vessels entering it are requested to obtain information on the current navigational situation from the operators of Szczytniki and Miejska locks.

Notices to Skippers 80/2020 and 26/2021 no longer apply

Current information concerning the hydrological and navigational situation on the Oder River is available on the website of the State Water Holding Polish Waters – Regional Water Management Board in Wrocław, in the tab [CUSTOMER ZONE - Hydrological and navigational situation](#).
