NOTICE TO SKIPPERS No. 45/2022

Re.: demolition works, support of the temporary road bridge in Ścinawa at km 331.90 of the Oder River - extension of the works completion deadline

Pursuant to Art. 14 sec. 1 point 4 of the Act of 20 July 2017 – Water Law (Dz. U. /Journal of Laws/ of 2021, item 2233) and Art. 43 sec. 6 of the Act of 21 December 2000 on Inland Navigation (Dz. U. /Journal of Laws/ of 2020, item 1863).

With reference to the Notice to Skippers No. 44/2022, "Polish Waters" State Water Holding, the Regional Water Management Board in Wrocław informs that due to the hydrological conditions on the Oder River, the restrictions related to the dismantling of the supports of the temporary road bridge in Ścinawa will be **in force until further notice**. The dismantling of the temporary bridge supports will be carried out in the riverbed by water engineering units. All vessels wishing to pass through the designated area are required to notify the unit in charge of the works, Fabico 5 (tel.: 504 292 025; channel 10 VHF), or the construction site manager (tel.: 661 334 006 or 603 882 528) 4 hours prior to the arrival, so that the equipment can be removed from the navigation waterway. Two kilometres before the bridge, the unit leader must obtain confirmation that the navigation waterway is passable. In the absence of such confirmation, please refrain from further journey until such information is obtained and please notify the construction site management about the situation (tel.: 603 882 528 or 661 334 006) and ZPH Chobienia (tel.: 609 222 442).

Passage through the indicated section is permitted only during daylight hours under conditions of good visibility.

The crews of all vessels passing through this section are requested to exercise particular caution, follow the above procedures and displayed markings.

The date when the navigation conditions in the indicated area are back to normal will be advised in a separate notice to skippers.

Notice to Skippers 44/2022 is repealed.
